We believe that holistically designed spaces can dramatically impact your bottom line.

Who We Are

Our employees are collaborative, resourceful and strategic. We are dedicated to helping create authentic and exciting environments for your people.

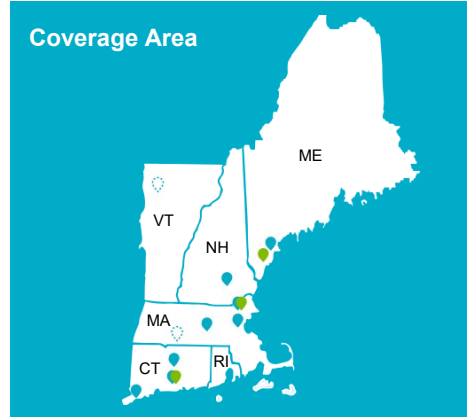

- 350+ people with diverse expertise
- Divisions focused on integrated interiors
- Steelcase-owned dealership

Where We Are

We support you, anywhere, with local dedicated teams, regional resources, and our national and global networks.

- 10 Sales locations that cover CT, MA, NH, ME, VT and RI

Coverage Area

Our Approach: Integrated Interiors

We take a holistic approach to the workplace to create the best possible result.

By integrating furniture, technology, architectural products and flooring, we can create dynamic, high-performing work environments.

1 FURNITURE

Furniture settings support collaboration, privacy and wellbeing to create a palette of spaces throughout the floorplan.

2 TECHNOLOGY

Collaborative technology supports high performing environments with integrated collaboration solutions that support productivity and creativity.

Space optimization tools support scheduling, analytics, wayfinding and facility management.

3 ARCHITECTURAL SYSTEMS

Architectural systems, such as demountable walls, modular power and data, and sound masking, create flexible spaces that can adapt as you need and support privacy within the open plan.

4 FLOORING

Durable and beautiful **floor coverings** bring your spaces to life.

We aspire to create great experiences wherever learning happens.

Whether you design them, manage them or work in them, we can help you create high performance, sustainable learning environments that bring students and educators together to focus, collaborate, socialize and learn.
